Community Courtesies

We hope everyone will have a great 4th of July and will be respectful when celebrating Independence Day. Most fireworks are illegal in NC, but that doesn't stop people from bringing them in from other states. Since people are likely to be celebrating the holiday for the whole weekend, we would like to ask people to be courteous to their neighbors who have anxiety, scared pets & young children who go to bed early. Please use a safe distance from houses when using fireworks and refrain from setting off fireworks inside the neighborhood after 11pm. Thank you!

July is National Vehicle Theft Prevention Month

What would you do if your car was stolen? Over 700,000 vehicles are stolen in the US every year, and over **40% of them are never recovered**. Vehicle break-ins with property theft are also one of the most common crimes we see in Cary. Here are some tips for preventing vehicle theft:

1- Park in your garage or driveway, especially at night. Overnight street parking is prohibited by our HOA covenants. Parking in the street overnight allows criminals to take advantage of low-light and easy access to break-in to your vehicle!

2- Always lock your vehicle. Never leave your keys inside your vehicle or leave your vehicle running unattended.

3- Do not leave valuables in your vehicle. Visible items like phones, cameras and bags can make your vehicle a target. It's a good idea to never leave these in your vehicle unattended, or at the very least store them in a locked compartment.
