We need volunteer hosts and "crawlers" to make this event happen so email Kim at wphoasocial@gmail.com if you are interested in hosting or crawling! Please note there will be a \$10 per person cost to attend the event. Hosts will receive a portion of ticket sales towards their hosting supplies. All participants must sign a liability waiver.

Pond Project Update:

No updates this month with the project. We continue to work with Kris Bass Engineering to finalize a project plan for the dredging company to use. Thank you to Brian Weyer who volunteered to join the pond committee.

HOA BOARD NEWS

WP HOA Board meetings are the first Monday of each month unless it is a holiday. If the first Monday of the month is a holiday, the meeting will take place the second Monday of the month. The **next HOA Board meeting** will be Monday April 4 at the clubhouse. The open community meeting starts at 7:00pm.

The Board voted to go without a pool attendant this season. The difference in cost between having an attendant & not having an attendant is \$17,084. Since our residents have been so responsible

during the past 2 seasons with following the COVID rules, we thought we would try to save some money and invest in a new video monitoring system (\$3,825) this season. The pool opens May 14. More information and updated pool rules will go out in April. If you have questions please email the board at wphoa2020@gmail.com.

Community Courtesies

Please remember that fishing is only allowed in the pond behind the clubhouse. Do not fish in the other 2 neighborhood ponds. Also, please do not bathe or swim in the ponds. They are not intended for swimming and are not treated make it safe for people. Please tell your children to only fish in the clubhouse pond & do not remove the rocks around the ponds.

We have had some complaints about excessive barking from dogs & overnight barking. There is nothing the HOA can do about this so we encourage neighbors to talk to each other and cooperate with each other to keep dogs inside overnight and to attend to dogs who are barking excessively. An alternative action is to report the noise to the Town of Cary [Frequently Asked Questions | Town of Cary](#)

Please remember that reports to the HOA are anonymous.
