

Wellington Park HOA Newsletter NOVEMBER 2022

ANNOUNCEMENTS:

Landscape Committee Fall Update:

We are entering the fall planting season! October and November are great months to plant new trees, shrubs and bulbs for the spring. Early to mid-winter is the best time to prune trees and shrubs, when they are dormant.

Helpful Hints:

What makes ivy a good ground cover can eventually damage a tree. The vine damages the bark as it climbs, leaving trees susceptible to pests and disease. If you would like to remove ivy from trees, cut the ivy vine around the base of the tree and then again at chest height. This can be done with pruning shears. You can pull off the vines once dead.

Pickleball lessons start November 29th <https://www.tennisbloc.com/services/tennis-programs/upcoming-programs.jsp?location=wellington-park>

Thank you to Tom & Jennifer Wells for relining the Pickleball & Tennis lines on the tennis court.

Pond Project Update:

The pond committee continues to work with Kris Bass Engineering to complete a full scope of work for the dredging projects. We continue to look for dredging companies to get quotes on the work to be done. We are really hoping everything aligns and we can start the project this year but much is out of our control. We will keep you updated in these newsletters. If you have questions please email the Board.
